

<p><b>【 Event 】</b> Kyushu University Nursing Co-Creation and Implementation Research Center Symposium, 2026</p>	<p><b>【 Overview 】</b> On Thursday, March 12, 2026, the Kyushu University Hospital Campus, Ain Pharmacy Kyu-dai South Branch (2nd Floor Large Conference Room), hosted the 'Kyushu University Nursing Co-Creation and Implementation Research Hub Symposium ~Strategies and Innovations for Nursing Practice~' in a hybrid format. For the special lecture, we welcomed Professor Eri Mochida from Oita University of Nursing and Health Sciences, who gave a talk titled 'Practical Implementation Research - Strategies and Practices for Embedding Evidence into the Field.' In addition, faculty members from each unit participated as panelists in the symposium. On the day of the event, a total of 61 participants attended both in-person and online, and the symposium concluded with active exchanges of ideas.</p>
