

## Workshop on “Foundation for Function: Empowering providers with Feeding strategies for Cleft Care”

7<sup>th</sup> March, 2025

Dear Colleagues and friends,  
Division of Orthodontics and Dentofacial Deformities, Centre for Dental Education and Research, All India Institute of Medical Sciences, New Delhi, is holding the workshop on “Foundation for Function: Empowering providers with Feeding Strategies for Cleft Care” for cleft care professionals on March 7<sup>th</sup>, 2025 (afternoon).

The workshop is specifically intended for residents, research staff, nursing officers and faculties willing to become actively involved in feeding and nutrition of infants born with cleft lip and palate and research. The workshop will be a mixture of presentations, interactions, and discussions.

Looking forward to the active participation of cleft care professionals.

**Prof. Ritu Duggal**
